

Helping Hands Portsmouth

Would you like to support our work?

Background

We are a small, dedicated team who are privileged to work tirelessly helping our City's homeless men and women. They are the most vulnerable members of our community and in many cases entirely reliant on charity.

Our goal is for each homeless person to have a home and a normal life. In the meantime, we stand between them and hypothermia, hunger, depression and despair. We could not do this without you!

Fundraising

Could you fundraise for us?

A coffee morning, cake sale, sponsored run, marathon, abseil, dog walk or exercise class, car boot sale. Or any other creative way you can think of to support our work.

Networking

We are entirely funded by community kindness. Our connections are everything to us.

Who do you know? Owners or managers of pubs, restaurants, shops, businesses who may donate space, raffle prizes, a venue, food, you name it? Tradesmen, professionals, individuals with skills like anger management, counselling, confidence building? A friendly printer?

Please connect us. We cannot stress how helpful this is.

Facebook

Of course, not everybody is a Facebook fan. For us, though, it is a quick and effective way of reaching a lot of people and staying in touch with our friends & supporters.

Throughout the year we may post a call out for anything from sleeping bags to cake makers, from a hairdresser to somebody who can mentor a young man or woman.

By sharing these pleas with your own network, you vastly increase our reach and chances of success. This is a simple way to help us but it really makes a big impact. Please share, share, share for us.

Food

It is a small part of what we do, but perhaps the loveliest. Handing a hot, nourishing meal to somebody who is cold and hungry cannot fail to touch your heart.

Could you sponsor a meal for fifty people (£40); breakfast for thirty people (£15); Pots of fresh fruit for fifty (£25). Put us in touch with a butcher, greengrocer, allotmenteer, carvery or caterer? Make homemade cakes?

More than any of the above though, we truly thank you for caring about our City's homeless people.
